

New scally on da block

Tuesday, 30 June 2009

There's a new, fit scally lad on the block. His name is Jay, he's 20 years old and you gonna love him!

Jay is a gay chav wot don't take it up the arse - he's 100% top. He does love cock, though, and is always looking for some gay sex action. He says he doesn't get as much as he'd like, wot with living in a well quiet spot, but tries to get into the city when he can for some scally cock hunting! [Click here for Jay's wank video...](#)

Gay Jay has gotta well nice, slim, tanned body - obviously hanging out in the park a lot - and a 7 inch, uncut scally cock. I love that bad lad with a cute face thing he's got going on - lulls you into a false sense of security before he has his way with you.

Nice wank job in this new movie from UK Scally lads: Jay gets really hard and enjoys a long wank, lubing his cock up with some spit to make it nice and smooth. He shows off that smooth, tight arse and stretches his hole open for us to get a butchers. He even breaks his no-entry rule and fingers himself for our pleasure.

I really hope to see Jay doing some duo action soon on UK Scally Lads. [Click here for more...](#)
