

Kallum and Troy's 'chav sandwich'

Saturday, 05 December 2009

Lad-baiting, scally fuck buddies Troy and Kallum are back for another gay threesome and this time they is making a chav sandwich with little Rob.

Sexy, young, cock-taking chav, Rob, ain't no virgin - this is his fifth gay porn shoot for UK Scally Lads - but rudebois Troy and Kal take him to new dirty levels and stuff both ends of him with their huge scally cocks - just the way this bottom likes it.

They all start off in full kit and right away their trackies are bulging big time. What I love about horny chavs Kallum and his fuck-mate is that they know what they're doing and get straight down to business, taking turns to tongue Rob and show him who's boss. More fuck pics here...

They pull their uncut dicks out and Kallum's boner is as massive as ever! Rob sucks down on both cocks in turn, massaging their throbbing inches with his mouth and getting the blood pumping through their veins. It's then onto some 3-way sucking, ending in a daisy-chain with these slim, hung, naked lads each getting serviced on the floor.

It's the rimming that really does it for me - I'm telling you, watching young Rob licking and burying his tongue deep into Troy's sweet crack is one of the hottest things I've seen and nearly got me creaming my pants!

It all builds to some awesome gay arse fucking with scallys Rob and Troy both getting split open by Kallum's huge, fat dick. Troy and his buddy spit-roast Rob, working his soft lips and smooth butt. Then it's Troy's turn to take Kallum's massive chav cock and works his arse loose with some spooning, then mounts Troy's dick and rides him ring-deep while sucking off turned-on Rob.

Rob loves to taste cum and Kallum gives him what he wants, aiming his pulsing dick at Rob's mouth and shooting a hot load of thick, creamy cum down his throat. Mmmm.
