

4 big dicks, 3 scallies and loads of cum!

There's 3 well good reasons to visit UK porn site BlakeMason.com this month and they all end in a fit, gay chav spunking a heavy load.

First of all, gay scally superstar Kai is back and breaking in another gay lad. Apparently sexy TJ requested Kai for his first gay porn fuck - the lad has taste! He's also a rite power bottom and what with him thrusting his smooth arsehole down onto Kai's stiff scally cock and Kai fucking hard from underneath, there must be some friction on that ring! More Kai and TJ pics here...

Kai and his fuck mate also swap blowjobs - TJ getting a mouthful of pre-cum and Kai sucking like mad on TJ's 8-incher - and nearly gagging.

Scally Kai likes to show these gay lads who's boss and he throws TJ around the bed - his cock still deep inside him - and fucks the slim 20 year-old incredibly hard in all different positions, never letting up or pausing for breath; the intensity of his pounding and the power of his cock leaving TJ lost for words.

They end up doggy style - Kai's favourite gay arse fuck position - and he finishes this gay porn video off in style by making TJ shoot streams of cum across the bed while deeply penetrating him with his throbbing, close-to-cumming, chav cock.

So, what are the other two reasons to sign up to Blake Mason?! Well there's tall, sexy, Northern chav lad, Sean, who describes himself as 'trysexual' and gets naked at the drop of a hat. He gives his thick, 8-inch cock a power wank and fingers his hole until he sprays jets of cum over his abs.

Even fitter is 18 year-old gay builder, Luke. This well fit, toned scally lad is new to gay porn and stripping off for the camera, but he's a mouthy lad full of confidence and quickly gets into wanking his even bigger scally cock - 8.5 inches. In fact this gay scally has one of the most perfect dicks I've ever seen and when he fucks that sofa... boy, do I wish I was that piece of furniture!
